### Announcement: The 'Seal of Approval'

ANNOUNCEMENTS GRANT COMMUNITY SEAL OF APPROVAL

The Community Team, alongside a group of regular `data.table` contributors, is very please to announce a new **Seal of Approval** program!

### Community interviews about `data.table`

COMMUNITY GRANT

One stipulation of NSF POSE funded projects like this one was to conduct several interviews under NSF's I-CORPS program (Winter 2024 Cohort), to gather information as to how ...

### Results of the 2023 survey

COMMUNITY GUEST POST GOVERNANCE

Thanks to everyone who helped create, shared, or filled out the first `data.table` survey! The survey was officially open between October 17 and December 1 and it received **391** ...

## First thoughts on Positron

NEWS OPINION

This is a very disorganized list of notes I made trying out Positron for the first time. Hopefully some slightly more coherent updates will come along eventually as I use it...
